**Re: NHSGA Senior Showcase Invitational**

**Date: Nov. 12, 2009**

Enclosed is the information about the 4<sup>th</sup> Annual NHSGA Senior Showcase Invitational. **One part** is meant for the coaches and has all the needed forms and information pertinent to their involvement in the meet. The **second part** is meant for the gymnasts and has all the needed forms and information concerning their involvement in the meet. **The third part** is for the parents—please make sure you send one of the “parent info” sheets and advertising sheets with each of your gymnasts. Please duplicate as many copies of each part as you need, retaining one packet of originals as a back up.

After the gymnasts and parents sign and forward to you their forms, make a copy before sending to Margie Canfield and bring your copies with you to the meet or give to your lead coach to bring to the meet. I do not want any gymnast coming all the way to the meet and not participating, which will happen if anything is missing.

When you have all of the needed items (forms, signatures, bios, and Pictures, shirt sizes, entry fees) from coaches and **gymnasts back to you by Wednesday, April 7<sup>th</sup>**, you can send them to me. Please double check that everything is in order and nothing is missing before **you send everything to me by Monday April 12<sup>th</sup> (in my hands)**. Remind your athletes if they are going on a spring vacation to get all forms in before break—including the Athletic Directors letter.

One of the nice things about this meet is the program, which all gymnasts receive. When pictures are missing or bios are incomplete, it devalues the souvenir. Keep on your coaches and gymnasts so everything is in on time, but don't delay. **Time is very short. There is a \$100 team late fee this year so stay on top of timelines. You might want to give individual gymnasts \$\$ penalties if they don't get forms to you in time.**

I have included an area on the gymnasts' forms indicating where they need to forward all of their items. If this is to you or to your lead coach, put their name, address, name, and phone numbers on the form to help reduce any questions on the part of the gymnast, or the parents.

Happy Handstands,

*Margie Canfield*
